Huntington Learning Center Owner Honored for Community Involvement, Business Success

(WASHINGTON, D.C./ SEPT. 12, 2019) – The International Franchise Association (IFA), the oldest and largest organization representing franchising worldwide, this week named Aziz Kabani, a Huntington Learning Center franchise owner in Dr. Phillips, Florida as one of its 2019 Franchisees of the Year recipients.

“IFA is proud to recognize Aziz Kabani for his commitment to the community and success as a franchise owner,” said Robert Cresanti, IFA President and CEO. “Franchise businesses are an engine of economic growth across America, in a large part due to the hard work of tens of thousands of franchise business owners like Aziz. As Washington looks to continue our economic growth, policymakers would do well to remember that franchising is making a difference across our country.”

Kabani was recognized this week at IFA’s Franchise Action Network Annual Meeting in Washington, D.C., which brought together more than 400 franchise business leaders to raise awareness with policymakers on the industry’s continued successes and economic contributions. “Aziz Kabani is a leading franchisee who is involved and shows strong student and financial results at his Huntington Learning Center. He positively impacts his local community by fulfilling Huntington’s mission to give every student the best education possible,” said Anne Huntington, Vice President of Business Development for Huntington Learning Center. “We are so proud that Aziz is receiving this well-deserved honor.”

Aziz Kabani has been a franchisee since 2015 and currently owns the Huntington Learning Center in Dr. Phillips in the Orlando Florida area. Last year Aziz made the decision to take on an active role within the center’s day-to-day operations and the results are tremendous. His performance brought his center to over one-million dollars in 2018. In addition to his high performance as a Top 20 franchisee, Aziz is a great mentor for other franchisees in and around Florida and a system validator for potential franchisees. His future plans include becoming a Huntington Learning Center multi-unit operator.
